Amendment No. 10S

This Amendment, made as of the _____ day of _____, 2016, by and between **the City of Stillwater through the Stillwater Regional Airport Authority,** and **LBR Inc.,** shall be made a part of the Agreement for Professional Airport Consulting Services between said parties and dated February 16, 2009.

1. The following services shall be added to Section I, A. 1:

   A. Provide Additional Construction Inspection for "Install Partial Connecting Taxiways for Runway 17-35" at Stillwater Regional Airport.
   B. Provide additional Construction Testing for the above project.
   *The original amendment for inspection and testing (Amendment 10 dated March 7, 2016) had not to exceed values of $24,000 for inspection and $12,000 for testing. There was additional inspection required due to the contractor going 8 days over their allotted time. Additional testing was required due to a saturated base that was discovered under the pavement removal for Taxiway D-2. This Supplemental Amendment provides the additional inspection and testing amounts that were required to complete the project.

2. The following fees shall be added to Section V. B. for the services described in Item I of this Amendment:

   1A. $2,190.00 (36.5 hours @ $60 per hour)
   1B. $5,878.50

In witness whereof, the parties hereto have made and executed this Amendment the day and year first written above.
