

N ↑

The "hashed" marks on the above map indicate an area on the south side of 11<sup>th</sup> street on the SE corner of the intersection of 11<sup>th</sup> and McDonald streets. This represents an area that extends north approximately 6 feet into the City of Stillwater's 60 foot right-of-way along 11<sup>th</sup> street. Justin W. & Maryl M. McCrary, as owners of the property at 1101 S. McDonald St., are requesting a right of way agreement from the City of Stillwater to erect, install, construct, repair, and maintain a 6 foot tall wood privacy fence with concrete footing within described area of the City of Stillwater's street right of way.

A survey of the lot at 1101 S. McDonald St. has been requested by/and at the expense of Justin W. & Maryl M. McCrary to determine exact boundary and right of ways present. Once surveying has been completed, a copy of the certified plat will be made available to City of Stillwater.
