Added by Laws 1992, c. 342, § 1.

§62-851. Purpose of act.

The Local Development Act shall serve to implement and execute Section 6C of Article X of the Oklahoma Constitution as approved by the voters of the State of Oklahoma on November 6, 1990, by:

1. Providing for the granting of incentives and exemptions from taxation within certain areas, placing restrictions thereon, and limiting the time period for the exemptions, as authorized by subsection A thereof;

Added by Laws 1992, c. 342, § 2.

§62-852. Legislative guidelines.

It is the intent of the Legislature that the provisions of this act be used in accordance with the following guidelines:

1. That the tools of this act be used in those cases where investment, development and economic growth is difficult, but is possible if the provisions of this act are available;

2. That the tools of this act not be used in areas where investment, development and economic growth would have occurred anyway and that the governing body take care to exclude areas that do not meet this criteria;

3. That the tools of this act be used to supplement and not supplant or replace normal public functions and services;

4. That the tools of this act work in conjunction with existing programs and efforts such as the Oklahoma Main Street Program, Oklahoma Enterprise Zone Act, historic preservation and other locally implemented economic development efforts;

5. That any proposed districts be delineated with particular emphasis not to have boundaries that dissect a similar area or create unfair competitive advantage;

6. That the governing body recognizes the need for residential and neighborhood treatment, capital improvements to neighborhood public schools, as well as commercial/industrial development;

7. That where possible partial credits or credits that do not utilize the full time frame allowed be pursued;

8. That maximum effort be made to allow full public knowledge and participation in the local use of this act;

9. That conservation, preservation and rehabilitation be emphasized while demolition, clearance and relocation be minimized where possible; and

10. That the governing bodies develop and apply clear standards, criteria and threshold limits that are applicable to all similar property and areas and that the governing bodies enact protection against nearby relocations to utilize incentives.

Added by Laws 1992, c. 342, § 3. Amended by Laws 1998, c. 63, § 2, eff. Nov. 1, 1998.

Any city, town or county may by agreement jointly create a district with another entity.

B. Upon the adoption and approval of the project plan, the governing body shall adopt an ordinance or resolution, whichever is applicable, which:

1. Describes the boundaries of districts and project areas sufficiently definite to identify with ordinary and reasonable certainty the territory included in them;

b. the improvement of the area is likely to enhance the value of other real property in the area and to promote the general public interest. It shall not be necessary to identify the specific parcels meeting the criteria,

d. the aggregate net assessed value of the taxable property in all districts as determined pursuant to Section 862 of this title within the city or town shall not exceed twenty-five percent (25%) of the total net assessed value of taxable property within the city or town for cities or towns having a population of fifty thousand (50,000) or more or shall not exceed thirty-five percent (35%) of the total net assessed value of taxable property

Notwithstanding any provision contained in an ordinance, resolution or project plan, an ordinance or resolution establishing an increment district shall constitute a legislative act and may be repealed, modified or amended at any time during the term of the increment district, by subsequent action of the governing body except as otherwise authorized pursuant to Sections 854 and 863 of this title; provided, however, that no such ordinance shall be repealed, modified or amended during the time that any bonds payable from incremental revenues are outstanding without the consent of the bondholders, if such bonds are issued pursuant to the provisions of Article X, Section 35 of the Oklahoma Constitution following its amendment by State Question No. 693.

D. However, nothing in the Local Development Act shall restrict the ability of:

1. Any city, town or county to:

2. The location, date or time of the second public hearing is changed after the notices of the first hearing have been published and mailed; or
3. The second public hearing is held more than fourteen (14) days after the first public hearing.

D. The provisions of this section shall not apply to the adoption of minor amendments as provided for in Section 858 of this title.

E. The city, town or county clerk shall send the notices or copies of the analysis required to be sent to registered persons, entities, or organizations pursuant to subsection B of this section by electronic mail or if no electronic mail address

has been provided by the registrant, by first-class mail. The city, town or county clerk shall provide an affidavit declaring that all registrants have been mailed the requisite notices or analyses. Any technical irregularities in the form of the published or mailed notices required by this section shall not result in the invalidation of any ordinance enacted or amended subsequent thereto, so long as the notices, as published and mailed, reasonably apprise interested parties as to the subject matter of the hearings and correctly describes the date, time and place of such hearings and affidavits of publication and mailing shall constitute compliance with the notice requirement of this section.

§62-860. Incentives or exemptions from local taxation.

A. A project plan may contain a provision that certain local taxes may be subject to incentives or may be exempted in reinvestment areas, historic preservation areas or enterprise areas.

B. The governing body may grant incentives or exemptions from local taxation only on the new investment made. No ad valorem tax incentives or exemptions may be granted on the value of property which has been assessed or which is subject to assessment prior to the adoption of the project plan. No ad valorem tax incentives or exemptions authorized in this section may be granted for retail establishments. If a retail establishment is located in property which otherwise qualifies for an incentive or exemption pursuant to this section, the incentive or exemption shall not be allowed for that portion of the property used for such retail establishment. As used in this subsection, "retail establishment" shall not include an establishment that provides lodging, including but not limited to a hotel, apartment hotel, public rooming house or motel. No ad valorem tax incentives or exemptions authorized in this section may be granted if the property is located in an increment district or as long as the property is subject to the ad valorem tax exemption for new or expanding manufacturing facilities as authorized by Section 6B of Article X of the Oklahoma Constitution. In the event of disposition by lease or sublease to a lessee not entitled to an ad valorem tax exemption, the improvements placed thereon shall not be entitled to an ad valorem tax exemption provided for in Section 850 et seq. of this title. The incentives or exemptions, which may be full or partial, may be granted for a period not to exceed five

(5) years; however, in enterprise zones incentives or exemptions may be granted for a period not to exceed six (6) years.

C. No incentives or exemptions may be granted to any business or firm that is relocating from within the state and is subject to or in the process of recruitment by two or more governmental entities within the state unless the governmental entity in which the business or firm does not locate adopts a resolution giving their approval to the granting of incentives or exemptions to the business or firm locating in the competing governmental entity. No incentives or exemptions may be granted to an out-of-state business or firm that is subject to or in the process of recruitment by two or more governmental entities within the state except as otherwise provided for in this subsection. The prohibition against incentives or exemptions to a business or firm relocating within the state may be waived upon application by the governing body to, and approval of, the Director of the Oklahoma Department of Commerce. In order for the Director to approve the waiver, the Director must find that the incentives or exemptions are necessary and sufficient to attract the business or firm and that the benefits generated by the business location outweigh the costs of the business location.

D. A project plan may contain a provision that ad valorem taxes may be exempted in a commercial historic preservation area that is adjacent to and serves designated historical residential areas for neighborhood commercial preservation purposes in order for the neighborhood to retain its basic character and scale. No ad valorem tax exemption may be granted on the value of property which has been assessed or which is subject to assessment prior to the adoption of the project plan. No ad valorem tax exemption shall be granted pursuant to the provisions of this subsection for single-family residences. The governing body may grant the exemption only on the increase in value of the property. The exemptions may be granted for a specific period of time as determined by a written agreement between the property owners of the area and the governing body and may be renewed. Uses of the property eligible for this exemption may include but not be limited to commercial, office or multifamily residential use.

§62-861. Tax increment financing - Apportionment - Adjustment.

A. A project plan may contain a provision that the increments from certain local taxes or fees may be used to

finance project costs in areas qualified under the Local Development Act. The increment from local taxes or fees levied from and after the effective date of the approval of such plan shall be apportioned in the following manner for a period not to exceed twenty-five (25) fiscal years thereafter or the period required for payment of project costs, whichever is less; provided, however, that for any increment district established after November 1, 1992, such time period shall be tolled for a period of time equal to the pendency of any litigation directly or indirectly challenging the increment district or apportionment or disbursement:

1. That portion of the ad valorem taxes which are produced by the levy at the rate fixed each year by or for each such ad valorem taxing entity upon the base assessed value of the increment district determined pursuant to Section 862 of this title and as to an area later added to the increment district, the effective date of the addition to the increment district, shall be paid to each taxing entity and all or any portion of local sales taxes, other local taxes or local fees collected each year which are not subject to apportionment shall be paid or retained as otherwise provided by law; and

2. All or any portion of:

- a. ad valorem taxes, in excess of such amount specified in paragraph 1 of this subsection,
- b. the increment of local sales taxes, other local taxes or local fees, or a combination thereof, paid to or for the benefit of the city, town, or county approving the plan, and
- c. with its consent, evidenced by agreement in writing, the increment of local sales tax, other local taxes or local fees, or combination thereof,

payable to any other local public taxing entity, shall be apportioned to, and when collected, shall be paid into an apportionment fund established for the project pursuant to the project plan. Such revenues shall be used for the payment of the project costs and for the payment of the principal of, the interest on, and any premiums due in connection with the bonds of, loans, notes, or advances of money to, or indebtedness incurred to finance project costs, whether funded, refunded, assumed, or otherwise, for financing, in whole or in part, eligible project costs. For the purposes of this section, "local sales tax" means amounts payable to or for the benefit of a local governmental entity calculated as a percentage of gross sales whether imposed by ordinance, resolution, covenant, or agreement. Nothing shall prohibit the increments from being used to directly pay eligible project costs. When all eligible project costs and such bonds, loans, advances of money or

indebtedness, if any, including interest thereon and any premiums due in connection with them, have been paid and the governing body adopts an ordinance or resolution dissolving the tax apportionment financing, all ad valorem taxes upon the taxable property within the boundary of such district shall be paid into the funds of the respective taxing entities.

B. If a project plan contains a provision for apportionment as provided in subsection A of this section, and notwithstanding any other provision of law to the contrary, the governing body shall direct in the resolution or ordinance approving the plan which portion of the increments, including whether any or all, to be paid into the apportionment fund shall constitute a part of the general fund to be appropriated annually by the governing body, and which portion, including whether any or all, shall constitute funds of a public entity authorized to issue tax apportionment bonds or notes or to incur project costs.

C. To the extent that collections exceed project costs and the provisions for payment of principal and interest along with sufficient reserves on any bonds issued pursuant to the provisions of Section 863 of this title, the excess shall be paid into the funds of the respective taxing entities unless the taxing entity agrees to some other use of such collections.

D. Except as provided in subsection E of this section, for any year in which taxes or fees are apportioned in the manner specified in paragraph 2 of subsection A of this section, any increase in assessed valuation of taxable real property or taxable personal property within the boundaries of such district in excess of the base assessed value shall not be considered by any taxing entity in computing any debt limitation or for any other purpose except for the levy of taxes and in determining the amount to be apportioned.

E. In the event there is a change in the assessment ratio for ad valorem tax property valuations of property within the boundaries of an increment district, the portions of valuations for assessment pursuant to paragraphs 1 and 2 of subsection A of this section shall be proportionately adjusted in accordance with such reassessment.

F. Nothing in this section shall be construed as relieving property in such project area from being assessed as provided in the Ad Valorem Tax Code of the Oklahoma Statutes, or as relieving owners of such property from paying a uniform rate of taxes, as required by Section 5 of Article X of the Oklahoma Constitution.

G. Subject to constitutional exemptions, if property in an increment district is owned by a public entity and is leased to or operated for a private use, including, without limitation, use by a not-for-profit corporation or trust, the portion of the

property so leased or operated shall be assessed by the county assessor as if such portion of the property were taxable, and, during the term of the increment district, the public entity owning such property shall pay or require the user thereof to pay ad valorem taxes or an in lieu ad valorem tax payment in an amount not less than the amount that would have resulted if taxes had otherwise been levied on such portion of the property. If property subject to ad valorem tax in an increment district is acquired by a private not-for-profit corporation or public or private trust, it shall continue to be assessed and subject to ad valorem taxes or an in lieu ad valorem payment by the user thereof until termination of the increment district unless and only to the extent of the portion of the property and the use thereof that is:

1. Acquired to implement the project plan;
2. Converted to a new tax-exempt use by a tax-exempt user;

or

3. Entitled to claim a constitutional exemption notwithstanding statutory provisions.

During the period of an increment district, such nonexempt uses and interests are severable for purposes of ad valorem and in lieu of ad valorem assessment and payments, notwithstanding any statutory provisions to the contrary.

Added by Laws 1992, c. 342, § 12. Amended by Laws 1997, c. 96, § 1, eff. Nov. 1, 1997; Laws 2000, c. 351, § 4, emerg. eff. June 6, 2000; Laws 2003, c. 255, § 7, eff. Nov. 1, 2003; Laws 2008, c. 367, § 4, eff. Nov. 1, 2008.

§62-862. Base assessed value - Computation of tax levy.

A. Upon approval of a project plan containing apportionment financing as provided in Section 861 of this title, the county assessor shall, within ninety (90) days, determine the total assessed value of all taxable real property and all taxable personal property within the boundaries of an increment district which shall be certified by the assessor as the "base assessed value".

B. Any school district located within the boundaries of an increment district may file a protest with the governing body of the city, town or county as to the amount certified by the county assessor as the "base assessed value" of the increment district. Such protest shall be filed within thirty (30) days after the "base assessed value" is certified by the county assessor. The governing body of the city, town or county shall notify the county assessor of the protest. Within thirty days after being notified of the protest, the county assessor shall redetermine the total assessed value of all taxable real property and all taxable personal property within the boundaries

of the increment district and shall certify to the governing body of the city, town or county the redetermined amount as the "base assessed value" of that district.

C. After the county assessor has certified the "base assessed value" of the taxable real property and the taxable personal property in such increment district, then in respect to every taxing jurisdiction receiving taxes levied in the increment district, the county assessor or any other official required by law to ascertain the amount of the equalized assessed value of all taxable property within such increment district for the purpose of computing the tax levy to be extended upon taxable property within such increment district, for the purpose of calculating the general state school aid formula, or for the purpose of computing any debt limitation, shall in every year that the tax apportionment is in effect ascertain the amount of value of taxable property in such increment district by including in such amount the certified "base assessed value" of all taxable real property and all taxable personal property in such increment district in lieu of the equalized assessed value of all taxable real property and all taxable personal property in such increment district. The tax levy determined shall be extended to the current equalized assessed value of all property in the increment district in the same manner as the tax levy is extended to all other taxable property in the increment district. The method of extending taxes established under the provisions of this section shall terminate when the governing body adopts an ordinance or resolution dissolving the tax apportionment financing. The provisions of this act shall not be construed as relieving property owners within an increment district from paying a uniform rate of taxes upon the current equalized assessed value of their taxable property as required by Section 5 of Article X of the Oklahoma Constitution.

Added by Laws 1992, c. 342, § 13. Amended by Laws 1997, c. 96, § 2, eff. Nov. 1, 1997; Laws 2003, c. 255, § 8, eff. Nov. 1, 2003.

§62-863. Tax apportionment bonds or notes.

A. With the approval of the governing body, a public entity, other than a city, town or county, may issue tax apportionment bonds or notes, other bonds or notes, or both, the proceeds of which may be used to pay project costs pursuant to the plan notwithstanding any other statutory provision to the contrary. Subject to the approval of the governing body, such public entity may issue refunding bonds or notes for the payment or retirement of bonds or notes previously issued by the public entity to pay project costs pursuant to the plan.

B. The public entity issuing tax apportionment bonds or notes may, as authorized by the governing body pursuant to Section 6C of Article X of the Constitution of the State of Oklahoma, irrevocably pledge all or part of the apportioned increments and other revenue for payment of the tax apportionment bonds or notes. The part of the apportioned increments pledged in payment may be used only for the payment of the bonds or notes or interest on the bonds or notes until the bonds or notes have been fully paid. A holder of the bonds or notes or of coupons issued on the bonds has a lien to the extent authorized by the pledge against the apportionment fund and the future increments for payment of the bonds or notes and interest on the bonds or notes and may protect or enforce the lien at law or in equity.

C. The issuing public entity may provide in the contract with the owners or holders of tax apportionment bonds that they will pay into the apportionment fund all or any part of the revenue produced or received from the operation or sale of a facility acquired, improved, or constructed pursuant to a project plan, to be used to pay principal and interest on the bonds. If the public entity agrees, the owners or holders of these bonds may have a lien or mortgage on a facility acquired, improved, or constructed with the proceeds of the bonds.

D. Tax apportionment bonds may be issued to mature in a period not to exceed twenty-five (25) years in one or more series; provided, however, that for any increment district established after November 1, 1992, such time period shall be tolled for a period of time equal to the pendency of any litigation directly or indirectly challenging the increment district or apportionment or disbursement. The trust indenture, ordinance, or resolution approved, issued in connection with such bond or note, shall provide:

1. The date that the bond or note bears;
2. That the bond or note is payable on demand or at a specified time;
3. The interest rate that the bond or note bears;
4. The denomination of the bond or note;
5. Whether the bond or note is in coupon or registered form;
6. The conversion or registration privileges of the bond or note;
7. The manner of execution of the bond or note;
8. The medium of payment in which and the place or places at which the bond or note is payable;
9. The terms of redemption, with or without premium, to which the bond or note is subject;
10. The manner in which the bond or note is secured; and

11. Any other characteristic of the bond or note.

E. A bond or note issued pursuant to the provisions of the Local Development Act is fully negotiable. In a suit, action, or other proceeding involving the validity or enforceability of a bond or note issued pursuant to the provisions of the Local Development Act or the security of a bond or note issued pursuant to the provisions of the Local Development Act, if the bond or note recites in substance that it was issued by the public entity pursuant to the Local Development Act, the bond or note is deemed to have been issued for that purpose, and the recital shall be conclusive of its validity and the regularity of its issuance.

F. A bank, trust company, savings bank or institution, savings and loan association, investment company or other person carrying on a banking or investment business; an insurance company, insurance association, or other person carrying on an insurance business; or an executor, administrator, curator, trustee, or other fiduciary may invest any sinking funds, money, or other funds belonging to it or in its control in tax apportionment bonds or notes issued under the Local Development Act. This act does not relieve any person of the duty to exercise reasonable care in selecting securities or of complying with other applicable laws.

G. A tax apportionment bond or note issued pursuant to the provisions of this section is not a debt, liability, or obligation of the city, town or county creating or approving the plan, project or increment district. The bond or note does not give rise to a charge against the general credit or taxing powers of such city, town or county and is not payable except as provided by the Local Development Act. Bonds or notes issued pursuant to the provisions of this section are not general obligations of the state and have no claim on the revenues or resources of the state. A bond or note issued pursuant to the provisions of this section must state the restrictions of this subsection on its face.

H. A tax apportionment bond or note issued pursuant to the provisions of this section may not be included in any computation of the general obligation debt of the city, town or county creating or approving the plan, project or increment district.

I. A public entity may not issue bonds or notes, pursuant to the provisions of this section, providing for repayment of any portion of the principal from apportioned tax increments in an amount that exceeds the total cost of implementing the project plan for which the bonds or notes are issued except to the extent that bond or notes issues may be sized to include costs of issuance, credit enhancement fees or premiums, and

reasonably required reserves or amounts to be repaid from sources other than apportioned tax increments.

J. All bonds issued pursuant to the provisions of this section shall be reviewed by the Oklahoma State Bond Advisor who will give a recommendation on such bonds to the issuing entity. Added by Laws 1992, c. 342, § 14. Amended by Laws 2000, c. 351, § 5, emerg. eff. June 6, 2000; Laws 2003, c. 255, § 9, eff. Nov. 1, 2003; Laws 2005, c. 210, § 6, emerg. eff. May 23, 2005.

§62-864. Adjustment in school State Aid.

In those cases where the net assessed valuation of the real property within a school district increases as a result of the provisions of Sections 860 and 861 of this title, the school district's State Aid shall be determined by subtracting such increase in the net assessed valuation from the assessed valuation of the school district and the state. Such increase shall be subtracted for each fiscal year during which the incentives or exemptions are granted in the case of property within an incentive district or such increase shall be subtracted for each fiscal year the increment is captured in the case of property within an increment district. The increase in net assessed valuation subtracted, in the case of property within an increment district, shall be the amount that represents that portion of the increment which is captured and which is actually used for the purposes of this act. Added by Laws 1992, c. 342, § 15. Amended by Laws 2008, c. 367, § 5, eff. Nov. 1, 2008.

§62-865. Agreement between other local taxing entity and governing body.

A. In accordance with the requirements of Section 6C of Article X of the Oklahoma Constitution, the tax incentives or exemptions granted pursuant to the provisions of Section 860 of this title shall only be allowed for that portion of the tax under jurisdiction of another local taxing entity by written agreement between said other local taxing entity and the governing body of the city, town or county.

B. In order for the tax incentives or exemptions to be granted for that portion of the tax under the jurisdiction of each taxing entity within the district, the governing body of the taxing entity must adopt the agreement provided for in subsection A of this section upon a majority vote of those members eligible to vote as determined by Section 857 of this title. Action on the agreement by these governing bodies must occur within sixty (60) days after the governing body of the city, town or county submits the proposed agreement to the governing bodies of such taxing entities.

Added by Laws 1992, c. 342, § 16. Amended by Laws 2000, c. 351, § 6, emerg. eff. June 6, 2000.

§62-866. Agreements between governing body and property owners.

A. There shall be a written agreement between the governing body and the property owners who are granted tax incentives or exemptions pursuant to Section 860 of this title. The written agreement may include, but shall not be limited to, the following:

1. List the kind, number, and location of all proposed improvements to the property;
2. Provide access to and authorize inspection of the property by city, town or county employees to ensure that the improvements or repairs are made according to the specifications and conditions of the agreement;
3. Limit the uses of the property consistent with the general purpose of encouraging development or redevelopment of the area during the period that the tax incentives or exemptions or the increment financing are in effect;
4. Provide for recapturing the local tax revenue lost as a result of the agreement if the owner of the property fails to make the improvements or repairs as provided by the agreement; and
5. Include any other requirement deemed by the governing body necessary to carry out the agreement.

B. There shall be a written agreement between the governing body and the property owners in historic preservation areas who are granted ad valorem tax exemptions pursuant to subsection D of Section 860 of this title. The written agreement shall include the following:

1. List the location of the property;
2. Provide access to and authorize inspection of the property by city, town or county employees to ensure that the property is being maintained according to the specifications and conditions of the agreement;
3. Limit the uses of the property consistent with the general purpose of encouraging neighborhood commercial preservation of the area during the period that the ad valorem tax exemptions are in effect;
4. Provide for recapturing the ad valorem tax revenue lost as a result of the agreement if the owner of the property fails to maintain the property as provided by the agreement;
5. Specify the time frame of the agreement including whether renewals can occur, at what time such renewals can occur and under what conditions renewals can occur;

6. Specify rehabilitations, preservation efforts and other specific actions that should be taken by the property owners on an individual or collective basis;

7. Provide for reciprocal actions by public entities to protect, enhance and improve the commercial historic preservation area and the surrounding residential areas served by such districts;

8. Provide review and approval procedures that may be used when usage or ownership of the property changes; and

9. Include any other requirement deemed by the governing body necessary to carry out the agreement.

C. The governing body shall enter into written agreements with active project participants of increment projects. The written agreement may include, but shall not be limited to, the provisions specified in paragraphs 1 through 5 of subsection A of this section.

Added by Laws 1992, c. 342, § 17. Amended by Laws 2000, c. 351, § 7, emerg. eff. June 6, 2000; Laws 2001, c. 382, § 2, eff. Nov. 1, 2001.

§62-867. Report to taxing entity.

A. For those increment districts in operation for nine (9) months or more, on or before the ninetieth day following the end of each fiscal year, the governing body of a city, town or county shall submit a report to the chief executive officer of each taxing entity that levies ad valorem taxes on property in an increment district. The report shall include:

1. The amount and source of revenue captured and apportioned pursuant to the project plan;

2. The amount and purpose of expenditures;

3. The amount of principal and interest due on outstanding bonded indebtedness;

4. The tax increment base and current captured appraised value or the other local tax or fees collections retained by the area;

5. The captured appraised value or the other local tax or fee collections shared by the city, town or county and other taxing entities, the total amount of tax increments received and any additional information necessary to demonstrate compliance with the plan adopted by the city, town or county;

6. The name of the person who is currently in charge of the implementation of the plan; and

7. The names of the persons who have disclosed an interest as required pursuant to Section 857 of this title and the interest disclosed.

B. For those incentive districts in operation for nine (9) months or more, on or before the ninetieth day following the end

of each fiscal year, the governing body of a city, town or county shall submit to the chief executive officer of each taxing entity that levies property taxes on real property in an incentive district. The report shall include:

1. The parties receiving incentives or exemptions;
2. A general description of the property and the improvements to be made;
3. The portion and fair market value of the property to be exempted or that portion of the local taxes to be subject to incentives or to be exempted;
4. The duration of the incentives or exemptions;

§62-867.1. Incentive or increment district creation -
Dissolution - Annual revenue loss.

A. Within thirty (30) days after the creation of either an incentive district or an increment district, the sponsoring governmental entity shall notify the Oklahoma Tax Commission, upon such form as the Commission shall prescribe, of the geographic area where the district is located, a description of any locally authorized tax incentives, such as property tax exemptions, sales tax exemptions or for purposes of an increment district, whether there is or will be indebtedness incurred the repayment of which will partially or entirely be paid from incremental tax revenues apportioned for such purpose.

B. If an incentive district or increment district is dissolved or for any reason ceases to be operative, the sponsoring entity shall notify the Oklahoma Tax Commission within thirty (30) days of such dissolution or termination upon a form to be prescribed by the Commission for such purpose.

C. The Oklahoma Tax Commission, in conjunction with the Oklahoma Department of Commerce, shall make an estimate of the annual revenue loss resulting from all matching payments to be made pursuant to Section 844 of Title 62 of the Oklahoma Statutes.

Added by Laws 2008, c. 367, § 1, eff. Nov. 1, 2008.

§62-868. Initiative and referendum.

A. The powers of initiative and referendum, reserved by the Oklahoma Constitution to the people, are reserved to the people of every city, town or county with reference to the tax relief or incentives or exemptions or increment captured as authorized by Section 6C of Article X of the Oklahoma Constitution and as provided for in this act.

B. 1. For purposes of this section, the form of the petition for either initiative or referendum shall be substantially as provided in Sections 1 and 2 of Title 34 of the Oklahoma Statutes. A true copy of each measure proposed by initiative and referendum shall be filed with the clerk of the city or town or with the secretary of the county election board before it is circulated and signed by the registered voters.

2. Every petition for either the initiative or referendum shall be signed by a number of the registered voters residing in the city or town equal to at least twenty-five percent (25%) of the total number of votes cast at the preceding general municipal election or for counties, equal to at least ten percent (10%) of the registered voters residing in the county. The signatures to each petition shall be verified in the manner provided by law.

3. Signed copies of an initiative petition shall be submitted to the clerk or secretary within ninety (90) days after the initial filing of the measure with the clerk or secretary. Signed copies of a petition invoking a referendum upon any ordinance or resolution shall be submitted to the clerk or secretary within thirty (30) days after the passage or adoption of the ordinance or resolution.

C. When signed copies of a petition are timely filed with the clerk or secretary, the clerk or secretary shall make a physical count of the number of signatures appearing on the petitions. He shall then publish, in at least one newspaper of general circulation in the municipality or the county, a notice of the filing and the apparent sufficiency or insufficiency of the petition. The notice shall also state that any qualified elector of the municipality or the county may file a protest to the petition or an objection to the count made by the clerk or secretary.

A protest to the petition or the count of signatures shall be filed in the district court in the county in which the situs of the city, town or county is located within ten (10) days after the publication. Written notice of the protest shall be served upon the clerk or secretary and the parties who filed the petition. In the case of the filing of an objection to the count, notice shall also be served upon any party filing a protest. The district court shall fix a day, not less than ten (10) days after the filing of a protest, to hear testimony and arguments for and against the sufficiency of the petition. A protest filed by anyone, if abandoned by the party filing it, may be revived within five (5) days by any other qualified elector. After the hearing, the district court shall decide whether such petition is in form required by law.

D. 1. The parties submitting a petition for either initiative or referendum shall also prepare and file a ballot title for the measure. The ballot title may be filed with the clerk or secretary prior to circulating the petition, but it must be submitted no later than the time that the signed copies of the petition are filed with the clerk or secretary. The ballot title shall contain the gist of the proposition couched in language that may be readily understood by persons not engaged in the practice of law. The ballot title shall contain language which clearly states that a "yes" vote is a vote in favor of the proposition, and a "no" vote is a vote against the proposition. The ballot title may not:

- a. exceed one hundred fifty words,
- b. reflect partiality in its composition or contain any argument for or against the measure, or
- c. contain language whereby a "yes" vote is, in fact, a vote against the proposition and a "no" vote is, in fact, a vote in favor of the proposition.

2. The clerk or secretary shall immediately forward a copy of the proposition and ballot title to the municipal attorney or district attorney. Within three (3) days after the filing of the ballot title, the attorney shall notify the clerk or secretary in writing whether or not the proposed ballot title is in legal form and in harmony with the law. If the ballot title is not in proper form, in the opinion of the attorney, he shall prepare and file a ballot title which does conform to the law within the three-day period.

E. A qualified elector who is dissatisfied with the wording of a ballot title may appeal, within ten (10) days after the ballot title is filed with the clerk or secretary, to the district court in the county in which the situs of the city, town or county is located. The petition for appeal shall offer a substitute ballot title for the one from which the appeal is

taken. Written notice of the appeal shall be served upon the clerk or secretary and upon the parties who filed the ballot title at least five (5) days before such appeal is heard by the court. The municipal attorney or the district attorney shall, and any interested citizen may, defend the ballot title from which the appeal is taken. After the hearing of the appeal, the district court may correct or amend the ballot title, or accept the substitute suggested, or may draft a new one which will conform with the law.

G. When an initiative petition demands the enactment of an ordinance or resolution, the mayor or the chairman of the board of county commissioners shall present the petition to the governing body at its next meeting. If the petition is not granted more than thirty (30) days before the next general municipal or county election, the mayor or the board of county commissioners shall submit the ordinance or act so petitioned to the registered voters of the city, town or county at the next general municipal or county election.

H. Whenever a referendum is demanded against any measure passed by the city, town or county governing body, or whenever an initiative petition is demanded, the question shall be submitted to the registered voters of the city, town or county for their approval or rejection at the next general municipal or county election.
