

**Meeting Date:** April 18, 2016

**Agenda Item:** 10-d

**Report No.:** CC-16-48

**Department:** Airport

**Subject:** Approve bid recommendation for the construction of partial connecting taxiway for RW 17-35 funded by an Oklahoma Aeronautics Commission grant #SWO-16-FS, approve budget amendments allocating funds, and authorize the Mayor to sign grant agreements, contracts and related documents.

**Budget Impact:** The receipt of grant funding for these types of projects is essential to upgrading the infrastructure at the airport. The project is being funded by the Oklahoma Aeronautics Commission together with the FAA to construct the initial portion of the parallel taxiway project. On April 4, the City Council approved a budget amendment for the estimated cost of the project in the amount of \$631,579. Construction costs for the parallel taxiway stubs exceeded original estimates by \$356,939.89; thus, increasing the cost to the City by \$17,596. This budget amendment will record the actual costs associated with the stub project.

**Prior Council Action or Part of an Approved Project:** Yes

**Related Items:** <http://stillwater.org/agendas/2016/agenda.php?g=1&a=1770>

- Alternatives:**
1. Approve construction contract with Contech Inc. in the amount of \$864,505, approve budget amendments allocating funds, and authorize Mayor to sign grant agreements, contracts and related documents. Approval is subject to receipt of grant funding for the project from OAC & FAA.
  2. Reject bid and rebid

**Recommendation:** Staff recommends approval of alternative #1.

**Prepared by:** Gary Johnson, Director of Stillwater Regional Airport

---

**Background Information:** This project has been designed, bid, and funded to expedite construction of the partial taxiways located in the safety area for RW 17-35. This construction will occur prior to the startup of commercial airline service on August 23, 2016. Construction of the partial connecting taxiways will eliminate the need for closing the main runway during construction of the parallel taxiway, which has been programmed for construction in the following year.

On Monday April 11, 2016, one bid was received by the City Clerk for the construction of the partial connecting taxiways at Stillwater Regional Airport. The only bidder for the project was Contech Inc. 114 S. Elm Place, Broken Arrow, OK 74102, in the amount of \$864,505, which includes the base bid and alternates. Bid documents and certifications have been reviewed and qualified by the design engineer and staff. Additionally, a grant application and supporting documentation has been prepared to fund the project. Total project cost including engineering services, Disadvantaged Business Enterprise update, and other costs are outlined below:

Oklahoma Aeronautics Commission 95%	\$939,092.94
Local Share 5%	<u>\$ 49,425.95</u>
Total Project Cost	\$988,518.89
