

Meeting Date: May 16, 2016

Consent Docket Item: 4-f

Report No.: CC-16-62

Department: Water Resources

Subject: Acceptance of a water line easement along Sangre Road

Budget Impact: No additional appropriations are necessary for this action.

Prior Council Action or Part of an Approved Project: No

Related Items: None.

Alternatives:

- Accept and sign the easement. The easement will be recorded when the proposed public water line is accepted by the City.
- Reject the easement. Rejecting would require the developer to redesign the water line in a different location.

Recommendation: It is recommended that the Council accept the easement and authorize the Mayor to sign the attached document.

Prepared by: Brandon Neal, Water Resources Engineer

Background Information: Saint Francis Xavier Catholic Church plans to construct a water line along the west side of Sangre Road between 6th Avenue and Virginia Avenue. The water line is proposed to be constructed within the subject easement. A proposed agreement between Saint Francis Xavier and the City regarding this water line is also included for consideration on this agenda.
