City of Stillwater
723 S. Lewis
Stillwater, OK 74074

Dear Fleet Superintendent:

OnCue Marketing L.L.C. is currently supplying the City of Stillwater with their fueling needs. OnCue Marketing L.L.C. is extremely happy and excited to be able to serve the City of Stillwater again for the upcoming year. OnCue would like to exercise the option to extend the contract for the upcoming year. The program that is currently being used is the ConocoPhillips Fleet program. OnCue supplies cards to all of the individual vehicles in the fleet and issue PIN (Personal Identification Numbers) to all of the authorized drivers. The cards are good at any of our 10 convenience stores in Stillwater, of which 5 have diesel fuel and one of our locations has CNG. These cards are also accepted at any ConocoPhillips location in the United States. We appreciate your business and hope that we can be of service to you in the future. If you have any questions please do not hesitate to call me. Thank you.

Sincerely,

A handwritten signature in black ink that reads "Tommy Shreffler".
