

RESOLUTION NO. CC-2016-21

“A RESOLUTION OF THE STILLWATER CITY COUNCIL ADOPTING REVISIONS TO THE STILLWATER DESIGN AND CONSTRUCTION STANDARDS FOR SECTION 1700, STREETS AND APPURTENANCES.”

WHEREAS, on August 15, 2011, the City Council adopted the Stillwater Standards; and

WHEREAS, on February 21, 2013, May 6, 2013 and August 19, 2013, the City Council adopted revisions to the standards; and

WHEREAS, draft changes have been developed by City staff and presented to the public for review and comment; and

WHEREAS, the Stillwater City Code requires that revisions to the standards be adopted by resolution.

NOW, THEREFORE BE IT RESOLVED BY THE STILLWATER CITY COUNCIL:

Section 1. The Stillwater Design and Construction Standards, Section 1700, Streets and Appurtenances, Part 2, Street Functional Classification, is hereby amended to read as follows:

Part 2: Street Functional Classification:

- A. The Federal Highway Administration ~~City of Stillwater~~ has designated the functional classification of each street to facilitate a progressive transition in the flow of traffic from access to movement.
- B. Functional classification categories for streets in the City of Stillwater include:
 - 1. Principal/Major Arterial
 - 2. Minor Arterial
 - 3. Major Collector
 - 4. Minor Collector
 - 5. Local Street
 - 6. Alley
- ~~C. Map of Functional Classifications: Figure 5-7 of The Stillwater Transportation Enhancement Plan (STEP) provides a map designating the functional classification of each street.~~
- ~~D. When the STEP does not list the functional classification for a street, obtain clarification from the Transportation Department for the appropriate functional classification of the street.~~

Section 2. The standards shall become effective immediately upon passage and adoption of this resolution.

Section 3. Staff shall continue to identify opportunities to improve the standards and the sections of City Code that reference them, and present to the City Council recommendations for such improvements.
