Name of board/committee for which I wish to be recommended:
 Planning Commission

Professional Experience:

Layman. I have been involved in the planning process while serving on the Stillwater school board and Stillwater Medical Center board during major building projects.

General qualifications for board/committee:

Worked extensively with the City Planning Commission during construction of the Stillwater High Performing Arts Center, Stillwater High Gymnasium and the rebuild of Skyline Elementary.

Why I am interested in this particular board/committee:

I am a life-long resident of Stillwater and am passionate about this town. I think we are entering a long period of sustained growth and planning will be critical for orderly growth. I have the time to serve on this board and feel I would bring an experienced layman's perspective to its' deliberations and decisions.
