SUBJECT: Stillwater Rural Water Advisory Board

TO: William Millis, Water Utilities Director
Stillwater, OK

FROM: Charles Rice, Secretary *CR*
Payne County Rural Water Corporation #3

The RWC#3 Board of Directors at their 2016 July Board meeting approved Billy Clay to replace Jerry Horn on the RWC#3 Board of Directors. The RWC#3 also approved a motion to submit Billy to the City to serve on the Stillwater Rural Water Advisory Board.

Would you present Billy to the City Council to serve on the Board? Attached is a resume of Billy's qualifications.

If you have questions or need additional information, please contact me at 377-6772. Thank you.

Rural Water Board

Billy Clay Bio:

I have three degrees from OSU: BS, MS (Agronomy) and DVM 1970

Taught at Col. Of Vet Med 7 years and conducted Research with OK Ag Exp Sta 4 years.

Certified by the American Board of Veterinary Toxicology (1975)

Worked with 3 pharmaceutical companies for 27 years (developed animal pharmaceuticals).

Served and still serve as a private consultant pertaining to environmental issues, pharmaceutical development, animal and plant health and toxicology.

Have developed several private businesses and served on several Corporate Boards.

Served on the County Exise and Equalization Board for six years.

Worked for many major and independent oil companies on environmental matters.

Worked for many feed companies on issues pertaining to contamination.

Have worked on three patent infringement cases (pharmaceuticals).

Have received several professional awards since graduating from OSU in 1964 as one of top ten.

Pretty sketchy but hope this will suffice?

Billy Clay
