Mr. Norman McNickle, City Manager
City Manager's Office
P.O. Box 1449
Stillwater, OK 74074

Dear Mr. McNickle,

The Housing Authority of the City of Stillwater is requesting a waiver of the FY2019 PILOT payment to the City of Stillwater. The payment waiver for FY 2019 would be approximately \$8,357.62, however the final amount is to be determined based on the shelter rent for 2019. The City of Stillwater has waived the PILOT in past years and these monies have been used in the past to train resident towards self-sufficiency and other physical needs for public housing. This year the SHA expects HUD to pay 93.27% of our operations budget, and the SHA must use reserve money to pay HUD's portion. The SHA will use the PILOT to offset this budget discrepancy and improve the SHA affordable housing areas in our city.

The Stillwater Housing Authority always takes pride in its relationship with the City of Stillwater and appreciates city staff, our city council, and your support and assistance in making affordable housing available to all citizens of the City of Stillwater.

Sincerely,

Toni Broyles
Executive Director
