<b>Agenda Item:</b>	8e. CC-19-95
<b>Prior Council Action/Related Items: (Hyperlinks Or PDF)</b>	
<b>Background / Issue:</b>	<p>Municipalities in Oklahoma are required to adopt an annual budget. When a City Council adopts the expenditure budget, those funds become appropriated, which means they are reserved in the fiscal year for the purpose they were intended. At the end of a fiscal year, there may be projects, materials, or services that have been appropriated for but are incomplete or not yet received. If no action is taken to re-appropriate those funds in the new budget year, the funding will lapse. City staff refers to the re-appropriation as a carry forward. Finance staff works with the City departments to identify incomplete projects and materials or services not yet received for which the funds should be carried forward to complete the procurement process. This list of carry forward requests is attached for consideration by the Council. Carry forwards for the Trust Authorities do not require action by the Trustees and are approved administratively.</p>
<b>Proposal/Solution:</b>	N/A
<b>Financial Impact/Funding Source(s):</b>	<p>There is no cash balance impact when approving carry forward requests since the funds have been previously reserved for the purpose they were intended.</p>
