Why are you interested in serving on this board/committee?:

I have an interest of being more involved in the community and this is an area I feel I have expertise. Stillwater has been my home except for a short leave since my family moved here in 1958. I love it and feel moved to support it more.

Qualifications for serving on this board/committee?:

Certified Public Accountant (CPA) who has practiced public accounting which included auditing. I continue to maintain a permit to practice. I have taught auditing at the university level, both undergraduate and graduate classes for at least 15 years.
