

REPORT TO: CITY COUNCIL

MEETING DATE: FEBRUARY 22, 2021

| | |
|---|--|
| <p>Agenda Item:</p> | <p>6a. CC-21-26</p> |
| <p>Background / Issue:</p> | <ul style="list-style-type: none"> • This is a report provided to Council on a quarterly basis that summarizes progress on active capital projects. • Active projects are those on which construction is underway, equipment was purchased, design is in progress or the project was completed during the reporting period. • This report is for Transportation and Airport. • Water, Wastewater, and miscellaneous projects will be presented in March. |
| <p>Proposal/Solution:</p> | <p>The following Transportation and Airport projects were active during the reporting period of October, November, and December, 2020. Staff will provide a synopsis of the status of each project at the Council Meeting:</p> <p>Transportation</p> <ul style="list-style-type: none"> • FY 18 Pavement Management • FY 19 Pavement Management • FY 20 Pavement Management • North Perkins Road Widening • Husband Street Bridge • 3rd Avenue Bridge <p>Airport</p> <ul style="list-style-type: none"> • Fuel Farm Upgrade • Airport Apron Reconstruction |
| <p>Related Strategic Priority:</p> | <p>#1 Effective Services & Accountable Government: To provide effective services and accountable government for all citizens by practicing fiscal responsibility, transparency and outstanding customer service.</p> <p>#4 Place & Mobility: To develop a strong sense of place that recognizes the interconnectedness of people, buildings and public systems (such as transportation, utilities and parks) that best serve the needs of the public.</p> |

Recommended Action/Motion:

This report is for information only; however, the update may prompt additional questions from Council about a specific project or projects. As may be requested by Council, staff will schedule more detailed reports for specific projects of interest on a future Council agenda.
