Name:

Stephen Hallgren

Address:

910 South Stanley Street

Phone:

4057476856

E-mail:

steve.hallgren@okstate.edu

Date:

15 July 2020

Name of board/committee:

Planning Commission

Why are you interested in serving on this board/committee?:

Stillwater has a reputation as an attractive community known for its excellent services, education and housing opportunities, as well as recreational activities and attractions. I believe Stillwater should shine and benefit from being a regional destination that attracts families to live and work and persons to shop and recreate. I am eager to use my background and interests to serve Stillwater for intelligent, well informed and transparent planning.

Qualifications for serving on this board/committee?:

My 30-year career in scientific research and instruction on the faculty at OSU provide abundant experience in problem analysis, planning, administration and decision making. I have learned a lot about Stillwater over the past 30 years during which my wife and I raised three children and participated in many community activities including Habitat for Humanity and Stillwater Public Schools. I am currently a member of the Husband Street Bike Corridor Subcommittee. I have a vision of Stillwater becoming a regional destination in Northcentral Oklahoma for housing, services, shopping and recreation.

E-mail:

pollard.austin@yahoo.com

Date:

08-13-21

Name of board/committee:

Planning Commission

Why are you interested in serving on this board/committee?:

I believe my qualifications, background, and interest in the position will help lead to positive outcomes for the city of Stillwater. I desire to see our city be more inviting to development and growth by having common sense strategies and policies for such development. I can work with folks in both the field and the administration to create those solutions.

Qualifications for serving on this board/committee?:

I have been involved in real estate for nearly 10 years as a lender. I understand the ins and outs of real estate uses. I have also been involved in the building industry through our local home builders association. I can see a property from different perspectives to see that a project be reasoned out if it will make sense or not.

E-mail:

MAPrather77@gmail.com

Date:

8/17/2021

Name of board/committee:

Planning Commission

Why are you interested in serving on this board/committee?:

Would like to see increased economic development within the city. See an opportunity to assist in developing strategies and missions to develop the city for residents, visitors, and college students. I believe that Stillwater is uniquely positioned to tap into a tremendous amount of potential beneficial growth.

Qualifications for serving on this board/committee?:

Extensive travel in the US and abroad, so I've seen what other locations have accomplished. Engineering background provides context to logically consider alternatives to ensure that trade-offs are optimized. Former site-lead for FLIR Systems, Inc. located in the technology park. Currently serving in leadership to bring Gigabit internet service to rural customers in the service area of Central Rural Electric Cooperative. Work history of making progress while maintaining strong working relationships even in the midst of conflicting opinions.

Name:

Stephen Michael Shanahan

Address:

5502 W 8th Ave

Phone:

405-612-7395

Fax:

E-mail:

MShan1917@yahoo.com

Date:

7-21-18

Name of board/committee for which I wish to be recommended:

Planning Commission

Professional experience:

Purchasing/Supply Chain for 38 years at Boeing, General Dynamics, Lockheed Martin, Mercury Mercruiser, Frontier Electronic Systems

General qualifications for board/committee:

Masters Degree in Urban Studies at University of Texas at Arlington, vice-president and president of Stillwater Neighborhood Alliance (6 years), served on Stillwater Planning Commission previously for 3 years, served on citizens advisory board for PUMA Plan, served on Curbside Cycling Committee for three years

Why I am interested in this particular board/committee:

I would like to get more deeply involved again and have input into the development of the City of Stillwater. Stillwater is on the cusp of moving into the next level of the evolution of a city, with Stillwater poised for dynamic development. I want that development to be both sustainable and to the benefit of all citizens.
