City Clerk

723 S Lewis, 1st Floor

Stillwater, OK

I am filing a written objection to Application #STR-0055 to establish a residential short-term rental in the Residential Small Lot Single-Family zoning district. I would like more information on just what is being proposed and how the neighborhood will be affected. I would like to attend a hearing to receive more information. Please send date, time and location of set hearing.

Thank you.
