**SUBJECT:** Approval of Stillwater Regional Airport Authority Regular Meeting Schedule for 2017.

Attached you will find the proposed regular meeting schedule for the Stillwater Regional Airport Authority beginning January 2017 through December 2017. The regular meeting dates were determined by the third Thursday of every month. The March meeting date has been changed to the fourth Thursday (March 23, 2017) to accommodate the scheduled "spring break" when it is hard to obtain a meeting quorum.

Statutes require public bodies to publish the public meeting schedules and file with the City Clerk before December 15 of each year.
