REPORT TO AIRPORT AUTHORITY

SRAA-16-31

Date of Meeting: June 16, 2016

Subject: Approval of Supplemental Agreement No. 1 to the construction contract with Contech, Inc. for the hangar site development

Purpose of Report: Approve Supplemental Agreement No. 1

Background Discussion: Approval of this supplemental agreement will adjust the final cost for the construction project by reducing the original contract from \$529,920 to \$509,556. The agreement amends the current construction contract with the Contech, Inc. by adding additional work associated with rock removal during excavation, addition of Portland cement, sod, and a reduction for payment for concrete in place due to PWL calculations and one failed test.

Budget: Approval of this agreement reduces the final contract amount by \$20,363.86.

Recommendation: Staff recommends approval of Supplemental Agreement No. 1 with Contech, Inc. with a recommendation of approval by the City Council.
