The Visit Stillwater team will purchase and maintain a literature distribution stand with custom messaging capabilities to better serve visitors upon arrival at Stillwater Regional Airport. An identical stand will be purchased and maintained in the departure terminal in order to provide local information to a captive audience while promoting the numerous reasons to book a flight back to Stillwater.

Stillwater Regional Airport employees are encouraged to refer inquiries in regard to the Offsite Visitor Information Centers to the Visit Stillwater team. The stands are intended to serve as an extension of services provided from the Visit Stillwater office and 24/7 Visitor Information Center located at 2617 West 6th Avenue.

Upon request, Visit Stillwater team members are happy to greet incoming passengers and serve as in-person Stillwater information resources.
