REPORT TO AIRPORT AUTHORITY

SRAA-16-38

Date of Meeting: July 21, 2016

Subject: Approval of interior wall mural design for main terminal building.

Purpose of Report: Authority review of murals

Background Discussion: An ad hoc committee chaired by Authority member Mr. Russ Teubner has been working with Ms. Cristy Morrison, Executive Director, Visit Stillwater and others to put the final touches on the inside wall mural for the Stillwater Airport Terminal building. Member Teubner will present the final wall mural rendition to the Authority before approving. This will be the first time the Authority has seen the final mural rendition since last month's Authority meeting when some of the Authority members had some suggestions.

The final version of the mural will make an exciting first impression to visitors who come and go from the airport. The City of Stillwater/Stillwater Regional Airport expresses appreciation and thank Authority member Russ Teubner, Ms. Morrison, and everyone else for their hard work that has been given to make this mural a reality. Visit Stillwater will be funding for the cost for these wall mural improvements.

Recommendation: Airport staff recommends the Authority approval of the interior wall murals in the main terminal building at Stillwater Regional Airport.
