

REPORT TO: STILLWATER REGIONAL AIRPORT AUTHORITY

MEETING DATE: FEBRUARY 20, 2020

Agenda Item:	SRAA-20-02
Prior Council Action/Related Items: (Hyperlinks Or PDF)	SRAA-19-18 CC-19-86
Background / Issue:	On December 1, 2019, the City of Stillwater advertised for bid the upgrade of the AV Gas System at the Stillwater Regional Airport's Fuel Farm. After following all requirements for competitive bids, bid opening was held on December 18 th , 2019. One bid was received and was in excess of the amount budgeted for the project.
Proposal/Solution:	After reviewing the specifications in the original bid, we have developed a plan of action to revise the specifications to hopefully reduce overall expenses.
Financial Impact/Funding Source(s):	SRAA and CC previously approved a \$200,000 grant from Phillips 66 to upgrade the Aviation Gas (AVGas) System at the Stillwater Regional Airport.
Related Strategic Priority:	Effective Services and Accountable Government
Recommended Action/Motion:	Airport staff recommends rejection of the bid and authorization to re-bid this project using revised specifications.
