Name of board/committee for which I wish to be recommended:

Stillwater Public Library Board

Professional experience:

As a professional Japanese-English translator (MA, Monterey Institute of International Studies), I have worked in diverse fields. I lived in Japan for eight years, culminating in a technical translator position at Toyota Motor Corporation. I worked as voice talent for the Nagoya-based Culture Club Language Services, translating scripts and studio recording video narration. I am currently working in the medical research field, doing Scientific Communications and Quality work for Cook Research Incorporated, where I previously served as liaison to the Clinical department branch in Japan. I have also studied Spanish and spent about a year in Central America and Mexico.

General qualifications for board/committee:

I believe in the importance of lifelong learning. I have previous volunteer experience with a number of arts and service organizations, such as Civic Theatre of Greater Lafayette, Columbus Association for the Performing Arts, Youth to Youth International, and Key Club. Not long after graduating from university and prior to returning to Japan, I worked for a couple years at a public library in Newark, Ohio, as a circulation clerk and then in Acquisitions.

Why I am interested in this particular board/committee:

I love libraries with a passion and have since I was a child. They spark curiosity, open new worlds, and provide opportunity by making information accessible to all. It would be an honor to serve on the board.
