I hereby certify that:

- All work shall be done according to plans approved by the City of Stillwater when approved plans are required. Please provide two sets of completed plans and equipment specification sheets with this application.
- Per IFC 105.4.6 Retention of construction documents. One set of construction documents shall be retained by the fire code official until final approval of the work covered herein. **One set of approved construction documents shall be returned to the applicant, and said set shall be kept on the site of the building or work at all times during which the work authorized thereby is in progress.**

The statements in this application and the attachments hereto are accurate and that the property owner has given permission for this work to proceed. I further certify that all construction work under this permit will conform to all applicable ordinances, rules or regulations of the City of Stillwater.
